Non-ESP members: **410 Euro**

Payments are available via bank transfer only. There is no option for on-site registrations/payments.

The available slots will be allocated on a first-come, first-served basis.

Deadline to register: **20 December 2024**

*Registration for the course programme includes access to the course venue, coffee breaks and lunches, access to the online platform with the course material and a personalised certificate of attendance.

Registrations are available via this [LINK](#).

For any questions, contact the ESP HQ, at admin@esp-pathology.org having as email subject “**EScoP Bordeaux 2025**”.

This EScoP course is available for both board-certified pathologists and those in training. Clinicians, lab technologists/scientists and molecular biologists are also welcome. Course participants are welcome to submit cases of Dermatopathology, relevant to the subjects of this course, to be discussed during the slide seminar sessions. All cases have to be submitted in advance of the course for review from the Faculty. The deadline to do is **20 December 2024**. For more information about the submission process please contact Dr Christos Poullos at c.poullos@esp-pathology.org after successful registration.

NB: case presentation from participants does not include a separate certificate.
